STRUCTURE AND PRACTICES OF THE BOARD OF DIRECTORS

Corporate Structure

The Company is incorporated under the laws of the State of Iowa. Our Common Stock trades on the Bulletin Board under the symbol “MREO.OB.”

Corporate Governance Guidelines

The Board has adopted a written policy on Insider Trading and a Code of Ethics. We have made available copies of our Insider Trading Policy and Code of Ethics on our website at www.mirencos.com. Copies of these documents may also be obtained by sending a request in writing to the Company’s corporate office at 206 May Street, Radcliffe, Iowa 50230.

Board Committees

We have a standing audit committee and a standing compensation committee. The Board as a whole acts as the nominating committee. Because the small size of our Board, we have determined that a separate committee is not needed at this time. Directors Merlin Hanson and Don Williams constitute the membership of the Audit Committee. Directors Don Williams and Timothy Neugent and Dwayne Fosseen constitute the membership of the Compensation Committee.

Audit Committee.

The audit committee is appointed by the Board of Directors to assist the Board in fulfilling its responsibilities for oversight of:

- The integrity of the Company's financial statements and financial reporting process;
- The Company's compliance with legal and regulatory requirements;
- The independent auditors' qualifications, independence and performance; and
- Communication among the independent auditors, management and the Board of Directors.

The audit committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities, and it has direct access to the independent auditors as well as anyone in the organization.

Compensation Committee. The Board has established a compensation committee consisting of three directors, Dwayne Fosseen, Donald Williams, and Timothy Neugent two of whom we consider to be independent directors.

Meetings of the Board

Special meetings of the Board are held as necessary. In addition, management and the directors communicate informally on a variety of topics, including suggestions for Board agenda items, recent developments, and other matters of interest to the directors. Each director has full access to management.

Directors are expected to attend all meetings of the Board. During 2007, the Board held 4 meetings. Each director attended not less than 75% of the aggregate number of meetings of the Board of Directors.

We have no formal policy with respect to director attendance at the annual meeting of shareholders. Two members of the Board of Directors attended the annual meeting held October 23, 2007.

Communication with the Board

Shareholders, or anyone else wishing to contact the Board directly, may send a written communication to Glynis Hendrickson, Chief Financial Officer, 206 May Street, Radcliffe, Iowa 50230. Ms. Hendrickson will forward such correspondence only to the intended recipients, whether the entire Board or only an individual Board member. However, prior to forwarding any correspondence, Ms. Hendrickson will review such correspondence and, in her discretion, may not forward certain items if they are deemed to be of a commercial nature or sent in bad faith.

Director Independence

Directors Donald Williams, Merlin Hanson, and Timothy Neugent are considered independent, as that term is defined by the American Stock Exchange listing standards. Our shares are currently traded on the OTC Bulletin Board.

PROPOSAL 2: TO APPROVE THE COMPANY'S 2008 INCENTIVE COMPENSATION PLAN

GENERAL INFORMATION ABOUT THE PLAN

The shareholders will be asked at the Annual Meeting to vote on a proposal to approve the adoption of the Mirencos, Inc. 2008 Incentive Compensation Plan (the "Plan"). The Board of Directors of the Company

adopted the Plan on September 4, 2008, and recommended that the Plan be submitted for shareholder approval. A copy of the Plan is attached to this Information Statement as Appendix A.

Assuming the presence of a quorum at the Annual Meeting, Proposal Two will be approved if the number of votes cast in favor of the Proposal exceeds the number of votes cast in opposition to the Proposal.

MIRENCO, INC. 2008 INCENTIVE COMPENSATION PLAN

On September 4, 2008 the Board of Directors adopted the 2008 Incentive Compensation Plan (the Plan”). The purpose of the Plan is to encourage and enable key directors, employees and consultants to remain with and devote their best efforts to the business of our Company, thereby advancing the interests of our stockholders. Accordingly, we may award bonuses in the form of our Common Stock, or options to purchase shares of our Common Stock, subject to certain restrictions set forth in the Plan. The following is a brief summary of the Plan.

Administration of the Plan

The Plan is administered by a committee of three or more directors appointed by our Board of Directors. Currently, the Board as a whole is acting as the committee responsible for administering the Plan. The committee has the sole authority to determine the persons who are to be awarded shares of our Common Stock from among those eligible and to establish the number of shares to be awarded to each person. The committee is to take into consideration the position held, the duties performed, the compensation received, the services expected to be rendered by the recipient, and other relevant factors. The committee is authorized to interpret the Plan and may, from time to time, adopt such rules and regulations, not inconsistent with the provisions of the Plan, as it may deem advisable to carry out the Plan. A majority of the committee will constitute a quorum and the acts of a majority of the members present at any meeting at which a quorum is present, or acts approved in writing by a majority of the committee, will be deemed the acts of the committee. No member of the committee will be liable for any action taken, failure to act, determination, or interpretation made in good faith with respect to the Plan or any shares awarded under the Plan.

Types of Awards

The Plan provides that, subject to stockholder approval, an aggregate of 1,000,000 shares of our Common Stock are reserved for issuance under the terms of the Plan. The committee overseeing the Plan has the authority to award bonuses, in its sole discretion, in the form of restricted stock or stock options (either qualified incentive options under Section 422 of the Internal Revenue Code, or nonqualified options) to persons eligible to receive awards. Shares of our Common Stock issued under the Plan are deemed “restricted securities” as that term is defined by Rule 144 promulgated under the Securities Act of 1933. All awards under the Plan are also subject to such additional restrictions, terms, and conditions, if any, as may be determined by the committee. Any certificate or certificates representing shares issued under the Plan will bear an appropriate restrictive legend. The committee may also require that certificates representing stock awards be deposited by the recipient with the Company or an escrow agent until the restrictions thereon have lapsed or have been removed.

Eligibility to Receive Awards

The committee determines and designates the persons to whom awards may be made under the Plan, although the committee may authorize awards only to individuals who are key directors, employees or consultants at the time of the award. Awards may be made to the same person on more than one occasion.

Stock Available for Awards

Awards may be made under the Plan for up to 1,000,000 shares of Common Stock, which would constitute approximately 3.2% of the total number of shares of Common Stock outstanding after issuance of all shares reserved under the Plan.

Adjustments

We are required to make appropriate adjustments or substitutions in connection with the Plan and any outstanding awards to reflect stock splits, stock dividends, recapitalizations, spin-offs, and other similar changes in capitalization to the extent the Board of Directors deems such adjustment or substitution to be necessary and appropriate. The Plan also contains provisions addressing the consequences of a merger or consolidation in which the Company is not the surviving corporation, or sale of all or substantially all of our assets or capital stock. In such event, any shares that have been awarded but not yet issued, will be immediately issued without regard to any restrictions, terms or conditions imposed by the committee and any restrictions placed on shares that have been issued shall be released.

Amendment or Termination

Our Board of Directors, in its discretion, may terminate the Plan at any time with respect to any shares of stock that have not been awarded. The Board has the right to alter or amend the Plan or any part thereof from time to time, provided that no such change may be made which would impair the rights of the recipient of awards without the consent of such recipient. Also, the Board may not make any alteration or amendment which would materially increase the benefits accruing to participants under the Plan, increase the aggregate number of shares that may be issued under the Plan, or materially modify the requirements for participation without stockholder approval.

Our current incentive plans have been terminated and no additional awards will be made under those plans. Termination of these plans will not affect the status of awards previously granted under those plans. 1,268,910 shares are reserved for issuances upon exercise of options previously awarded under those plans.

Federal Income Tax Consequences

Typically, the tax consequence to us when a stock award is made is that the recipient is deemed to have compensation income. Recipients of awards of restricted stock are generally subject to federal income tax on the value of the shares on the date the shares are no longer subject to forfeitures. Recipients of awards of qualified incentive stock options are generally subject to federal income tax upon sale of the underlying shares while those receiving nonqualified options generally are subject to federal income tax upon exercise of the options. **TAX CONSEQUENCES TO PARTICIPANTS AND TO THE COMPANY WILL VARY DEPENDING UPON THE TERMS AND CONDITIONS OF A SPECIFIC AWARD UNDER THE PLAN.**

New Plan Benefits

As of the date of this Information Statement and subject to shareholder approval as to the incentive stock options, the four directors will receive awards relating to a total of 4,000 under the Plan, following the October, 2008 board meeting. 996,000 shares remain will reserved for future awards under the Plan. The Company cannot currently determine the number or amount of other awards that may be granted to

participants under the Plan in the future. Such determinations will be made by the committee in accordance with the terms of the Plan.

PROPOSAL 3: RATIFICATION OF APPOINTMENT OF ACCOUNTANTS

The Company's board of directors, having declared its advisability, submits for shareholder ratification a proposal to reappoint Stark Winter Schenkein & Co., LLP as the Company's independent certified public accountants for the fiscal year ended December 31, 2008. Since representatives from Stark Winter Schenkein & Co., LLP will not be attending the annual meeting of Mirencos, Inc. on October 31, 2008, they will be unable to answer questions posed by shareholders at that time.

Under the laws of the State of Iowa (in which the Company is incorporated), if a quorum exists, this reappointment will be approved if the votes cast at the Annual Meeting favoring the proposal exceed the votes cast opposing the proposal,

Audit Fees

Fees billed by Stark Winter Schenkein & Co., LLP and fees incurred, for professional services are estimated to be \$28,900 for the year ended December 31, 2007 and \$20,100 for the year ended December 31, 2006, including fees associated with the annual audit and review of the quarterly reports on Form 10-QSB. Fees for these services are billed as incurred and recorded by the Company as invoices are received.

Tax Fees

\$0 in fees were billed by Stark Winter Schenkein & Co., LLP for tax services in 2007 and \$0 in fees were billed by Stark Winter Schenkein & Co., LLP for tax services in 2006.

All other Fees

No fees were billed by Stark Winter Schenkein & Co., LLP, for professional services rendered during the fiscal years ended December 31, 2007 and December 31, 2006 other than those specified above.

On September 11, 2008, the Board of Directors voted to engage Stark Winter Schenkein & Co., LLP to audit the Company's financial statements for the year ended December 31, 2008.

Stark Winter Schenkein & Co. is responsible for performing an integrated audit and issuing reports and opinions on the Company's consolidated financial statements.

The board reviewed and discussed the 2007 consolidated financial statements with management. Management represented to us that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

OTHER BUSINESS

The Company does not know of any other business at the time of printing of this document that will be presented for consideration at the Annual Meeting. However, if any other business should come before the Annual Meeting, management of the Company will have discretion to act in accordance with its best judgment.

Certain Relationships and Related Transactions

The Company purchased services from several entities with direct relationships to the majority stockholder of the Company. Such payments totaled \$9,600 and \$9,600 for the years ended December 31, 2007 and 2006, respectively.

On April 30, 1999, the Company entered into an agreement to acquire patents and trademarks for an initial price of \$25,000 from a company whose stockholders have controlling ownership in the Company. The patents and trademarks were recorded as a lump-sum purchase at the affiliate's carrying value, \$9,800, at the date of purchase. The remaining \$15,200 was recorded as a distribution to stockholders. In July 2000, upon the completed sale of 1,000,000 shares of stock to the public and in accordance with the patent purchase agreement a payment of \$225,000 was paid and was accounted for as a distribution to stockholders. Also, the agreement provides for royalty payments in the amount of 3% of gross sales (including product sales, service revenues, and all revenues from sales of patent rights) for the 20 years that began November 1, 1999. This agreement can be terminated by the seller if the Company fails to make the above payments or becomes insolvent. From January

1, 1999 to October 31, 1999, the Company paid royalties for the use and potential marketing of the patents to the company that owned the patents based on 3% of sales calculated at an established unit price (\$495) and minimum quantities (40 to 80 units per month), with payments generally made quarterly. The Company incurred royalty expense to a company partially owned by the majority stockholder of the Company for the years ended December 31, 2007 and 2006 in the amounts of \$18,489 and \$17,696 respectively.

MIRENCO, INC.
2008 INCENTIVE COMPENSATION PLAN

ARTICLE ONE
GENERAL

SECTION I. PURPOSE

The purpose of the Mirencos, Inc. 2008 Incentive Compensation Plan (the "Plan") is to encourage and enable key officers, directors, employees and consultants (the "Participants") of Mirencos, Inc. or any of its Subsidiaries (collectively, the "Company"), upon whose judgment, initiative and efforts the Company largely depends for the successful conduct of its business, to remain with and devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its stockholders. Accordingly, the Company may award compensation in the form of Common Stock of the Company, no par value per share ("Shares") subject to restrictions ("Restricted Stock"), or an option to purchase Shares, either as a tax-qualified incentive stock option ("ISO") or as a non-statutory stock option ("NSO"). ISOs and NSOs are jointly referred to as "Options."

SECTION II. ADMINISTRATION OF THE PLAN

The Plan shall be administered by a committee of three or more directors of the Company appointed by the Board of Directors or, in the absence of such a committee, by the Board of Directors (the "Committee"). The Committee may, from time-to-time, in its sole discretion and subject to this Plan and to such other terms and conditions as it may prescribe, award to any Participant Restricted Stock or Options (each, an "Award").

The Committee is authorized to interpret the Plan, and may from time to time adopt such rules and regulations, not inconsistent with the provisions of the Plan, as it may deem advisable to carry out the Plan. A majority of the Committee shall constitute a quorum and the acts of a majority of the members present at any meeting at which a quorum is present, or acts approved in writing by a majority of the Committee, shall be deemed the acts of the Committee. All decisions made by the Committee in selecting the Participants to whom Awards shall be awarded, in establishing the number of Shares of Restricted Stock, or Shares underlying Options, which may be awarded Participants and in construing the provisions of the Plan shall be final. No member of the Committee shall be liable for any action taken, failure to act, determination or interpretation made in good faith with respect to the Plan or any Award under the Plan.

An Award shall be evidenced by a signed agreement containing such terms and conditions as the Committee may in its sole discretion determine ("Agreement"), so long as such terms and conditions are not inconsistent with this Plan.

SECTION III. SHARES SUBJECT TO THE PLAN

The aggregate number of Shares subject to Awards under this Plan shall not exceed 1,000,000 Shares, all of which could be subject to ISO Awards if so determined by the Committee. Such Shares may consist of authorized but unissued Shares or previously issued Shares reacquired by the Company. Any of

such Shares which remain unissued and which are not subject to Awards at the termination of the Plan shall cease to be subject to the Plan. Should any Stock previously awarded as Restricted Stock be forfeited, the Shares of Restricted Stock so forfeited will again be available for grant or award under the Plan. The aggregate number of Shares which may be issued under the Plan shall be subject to adjustment as provided in Section V hereof.

SECTION IV. ELIGIBILITY

The Committee shall determine and designate, at any time or from time to time, the Participants to receive Awards. Awards may be received by the same Participant on more than one occasion.

SECTION V. ADJUSTMENTS

In the event the Company shall effect a split of the Shares or dividend payable in Shares, or in the event the outstanding Shares shall be combined into a smaller number of Shares, the maximum number of Shares as to which Awards may be granted under the Plan shall be increased or decreased proportionately.

In the event of a reclassification of the Company's capital stock not covered by the foregoing, or in the event of a liquidation or reorganization, the Board of Directors shall make such adjustments, if any, as it may deem appropriate in the number and kind of securities for which Awards may be granted under the Plan.

In the event of a merger or consolidation in which the Company is not the surviving Company or sale of all or substantially all of the assets or capital stock of the Company, any Shares that are subject of any Award but not yet issued shall be immediately issued without regard to any restrictions, terms or conditions imposed by the Committee pursuant to the Award and any restrictions placed on Restricted Stock that has been issued shall be released.

The provisions of this Section shall only be applicable if, and only to the extent that, the application thereof does not conflict with any valid governmental statute, regulation or rule.

ARTICLE TWO **RESTRICTED STOCK**

SECTION VI. RESTRICTED STOCK AWARDS.

The Committee may from time to time, in its sole discretion, award bonuses in the form of Restricted Stock to persons eligible to receive Awards of Restricted Stock under this Plan. All Restricted Stock awarded under the Plan shall be subject to such restrictions, terms and conditions, if any, as may be determined by the Committee. The Committee may in its sole discretion remove, modify or accelerate the release of restrictions on any Restricted Stock in the event of death or disability of the recipient of such Restricted Stock. Any certificate or certificates representing Shares of Restricted Stock shall bear a stamped or printed notice on the face thereof to the effect that such Shares have been awarded pursuant to the terms of the Plan and may not be sold, pledged, transferred, assigned or otherwise encumbered in any manner except as set forth in the terms of such Award. If the Committee so determines, the certificates representing Restricted Stock shall be deposited by the recipient with the Company or an escrow agent designated by the Company until the restrictions thereon have lapsed or have been removed in accordance with the provisions of this Section. Upon the lapse of the restrictions or removal thereof by the Committee, new unrestricted certificates for the number of Shares on which the restrictions have lapsed or been removed shall, upon request by the recipient of the Restricted Stock, be issued in exchange for such restricted certificates.

ARTICLE THREE
STOCK OPTION AWARDS

SECTION VII. EXERCISE PRICE.

The purchase price of Shares under each Option (the “Exercise Price”) shall be not less than the Fair Market Value of the Shares on the date the Option is awarded (“Grant Date”) except that, in the case of a grantee of an ISO who is a 10% or greater stockholder in the Company, not less than 110% of the Fair Market Value of the Shares, on the Grant Date of the ISO. The Exercise Price shall be adjusted by the Committee with respect to Awards not already granted to remain consistent with restrictions imposed by the Code.

“Fair Market Value” means the market price of a Share on the Grant Date, determined by the Committee in good faith on such basis as it deems appropriate; *provided, however*, as long as the Shares are traded on the OTCBB, Nasdaq Stock Market or a major exchange, the Fair Market Value per Share shall be the last sale price on the principal United States market for the Shares on the Grant Date, or if such date is not a trading date, on the last trading date immediately prior to the Grant Date. Such determination shall be conclusive and binding on the Participant and all other persons.

SECTION VIII. EXERCISE AND TERM OF OPTIONS.

a. Options shall be exercisable at such time and subject to such restrictions and conditions as the Committee shall approve, either at the time of grant of such Options or pursuant to a general determination, which need not be the same for all Participants. The Committee shall establish procedures governing the exercise of Options and shall require that written notice of exercise be given and that the Exercise Price be paid in full. In connection with any Award, the Committee may specify such vesting and forfeiture provisions as it deems appropriate. As soon as practicable after receipt of full payment, the Company shall deliver to the Participant a certificate or certificates representing the acquired Shares.

b. Subject to such terms and conditions as the Committee may establish from time-to-time, which terms and conditions with respect to Options shall not be inconsistent with the applicable provisions of the Act, the Options may be exercised at any time prior to the expiration date of the Option established by the Committee at the time of the Award.

c. Subject to the terms and conditions established by the Committee, Options may be exercised either for the total number of Shares to which the Options relate or to such portion or portions thereof as the Participant shall determine. Unless otherwise provided in the Agreement, or the Code, Options may be exercised without regard to the sequence in which such Options were granted.

d. To the extent that the aggregate Fair Market Value (measured by the Fair Market Value of the Shares at the Grant Date) of ISOs which become exercisable for the first time by any Participant during any calendar year exceeds one hundred thousand dollars (\$100,000), the excess of such Options shall be treated as NSOs.

SECTION IX. LIMITATION ON ISOs.

Notwithstanding anything in the Plan to the contrary, the following additional conditions shall apply to the grant of Options which are intended to qualify as ISOs, which additional conditions may be modified from time-to-time by the Committee to remain consistent with the Code.

a. All ISOs must be granted within ten years of the earlier of the date on which this Plan was adopted by the Company's Board of Directors or the date this Plan was approved by the stockholders.

b. Unless sooner exercised, terminated or canceled, all ISOs shall expire no later than ten years after the Grant Date, or in the case of a grantee who owns more than 10% of the combined voting power of all classes of stock of the Company or of its Subsidiaries, no later than five years after the Grant Date.

c. The Agreement shall provide that the ISO is exercisable during the Participant's lifetime only by the Participant (or the Participant's legal representative, in the event the Participant is disabled) and that the ISO is not transferable other than by will or the laws of descent and distribution.

SECTION X. DEATH OF PARTICIPANT.

a. Upon the death of the Participant, any Option exercisable on the date of death may be exercised by the Participant's estate or by a person who acquires the right to exercise such Option by bequest or inheritance or by reason of the death of the Participant, provided that such exercise occurs within both the remaining option term of the Option and one year after the Participant's death.

b. The provisions of this Section shall apply notwithstanding the fact that the Participant's employment may have been terminated prior to death, but only to the extent of any Options exercisable on the date of death. For purposes of this Plan only, references to "employment" shall mean services by the Participant to the Company for which an Award is granted, whether as an employee, director or consultant.

SECTION XI. DISABILITY.

Upon the termination of the Participant's employment by reason of Disability, the Participant may, within one (1) year from the date of such termination of employment, exercise any Option to the extent such Options were exercisable at the date of such termination of employment.

SECTION XII. TERMINATION FOR OTHER REASONS.

Except as provided in Sections X and XI, or except as otherwise determined by the Committee, all Options shall terminate, and no longer be exercisable three (3) months after the effective date of termination of the Participant's employment.

ARTICLE FOUR **MISCELLANEOUS PROVISIONS**

SECTION XIII. GENERAL DEFINITIONS.

a. The term Subsidiary shall mean, unless the context otherwise requires, any Company (other than the Company) in an unbroken chain of Companies beginning with the Company if each of the Companies other than the last Company in such chain owns stock possessing at least fifty percent

(50%) of the voting power in one of the other Companies in such chain. For the purpose of this section, stock ownership shall be determined in accordance with Section 424 of the Internal Revenue Code of 1986, as amended from time to time (the “Code”).

b. Except as may be otherwise required by the Code as to ISOs, the term Disability shall have the meaning determined by the Committee in its sole discretion.

SECTION XIV. ACCELERATION UPON CERTAIN CHANGES.

Notwithstanding anything in the Plan to the contrary, Agreements may contain change of control provisions for the benefit of the Participant as the Committee shall approve (such approval to be conclusively evidenced by the execution and delivery of such Agreement to the Participant). Change of control provisions shall mean provisions to protect Participant’s interest in the Plan should the Company, its stock or its assets, be acquired by another person or entity, or should the Participant’s employment terminate in connection therewith.

SECTION XV. NON-UNIFORM DETERMINATIONS.

The Committee’s determinations, including without limitation, (a) the Participants’ right to receive Awards, (b) the form, amount and timing of Awards, (c) the terms, conditions and provisions of Awards (including vesting and forfeiture provisions) and (d) the Agreements evidencing the same, need not be uniform and may be made by it selectively among Participants who receive, or who are eligible to receive, Awards under the Plan, whether or not such Participants are similarly situated.

SECTION XVI. LIMITATIONS ON AWARDS.

In the case of officers and other persons subject to Section 16(b) of the Act, the Committee, in its discretion, may impose limitations upon the exercise, delivery or payment of any Award which it believes are necessary or desirable in order to comply with Section 16(b) of the Act and the rules and regulations thereunder. The Committee may require any person receiving Shares hereunder to acknowledge that such Shares are being acquired for investment purposes and not with a view for resale or distribution and such Shares shall not be sold or transferred unless in accordance with applicable law and regulations. If the Company, as part of an offering of securities or otherwise, finds it desirable because of legal or regulatory requirements to reduce the period during which Options may be exercised, the Committee may, in its discretion and without the Participants’ consent, so reduce such period on not less than fifteen (15) days’ written notice to the Participants thereof.

SECTION XVII. RESTRICTIONS ON RESALE.

To the extent required to comply with Rule 16b-3, no Participant receiving an Award under this Plan may dispose of Shares awarded under the Plan prior to the expiration of six months from the Grant Date or dispose of an Option awarded under the Plan, or its underlying Shares, prior to the expiration of six months from the date of acquisition of the Shares or the Option.

SECTION XVIII. INDEMNIFICATION.

Committee members shall be indemnified and held harmless by the Company from any loss, liability, or expense that may be imposed upon or incurred by such present or past Committee member in connection with or resulting from any claim, action, or proceeding in which the member is involved by reason of any action taken or failure to act under the Plan; provided such member shall give the Company an opportunity, at its own expense, to defend the same. The foregoing right of indemnification shall not be exclusive of any

other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

SECTION XIX. RIGHTS OF PARTICIPANTS.

Nothing in the Plan shall interfere with or limit in any way the right of the Company and/or its Subsidiaries to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in employment for any period of time or to continue his or her present or any other rate of compensation. No employee shall have a right to be selected as Participant, or, having been so selected, to be selected again as a Participant.

SECTION XX. REQUIREMENTS OF LAW.

Awards, Agreements, and the issuance of Shares shall be subject to applicable laws, rules and regulations, and to such approvals by any governmental agencies or securities exchanges as may be required. The Committee shall determine whether any Award or Shares issued hereunder is required to be registered under the Securities Act of 1933, as amended, or may be issued under an exemption. In its sole discretion, the Company may, but is not obligated to, file a registration statement covering Shares issued under the Plan.

SECTION XXI. LEGEND ON STOCK CERTIFICATES.

Unless Shares issued under the Plan has been previously registered, issued Shares shall bear the following or similar legend:

"The securities represented by this certificate have not been registered under the Securities Act of 1933 (the "1933 Act") or under the securities laws of any state and may not be transferred, assigned, sold or hypothecated unless a registration statement under the 1933 Act and the applicable state laws shall be in effect with respect thereto or an opinion of counsel satisfactory to the Company shall be received to the effect the registration under the 1933 Act and applicable state securities laws is not required."

SECTION XXII. WITHHOLDING.

The Company shall have the right to withhold taxes, as required by law, from any transfer of Shares to a Participant under the Plan or to collect, as a condition of such transfer, any taxes required by law to be withheld.

SECTION XXIII. AMENDMENT OR TERMINATION OF THE PLAN.

a. The Committee may, without further action by the stockholders and without receiving further consideration from the Participants, amend this Plan or condition or modify Awards under this Plan in response to changes in securities or other laws or rules, regulations or regulatory interpretations thereof applicable to this Plan or to comply with NASDAQ rules or requirements.

b. The Committee may at any time and from time to time terminate or modify or amend the Plan in any respect, except that without stockholder approval the Committee may not (i) increase the maximum number of Shares which may be issued under the Plan, (ii) extend the period during which any Award may be granted or exercised, or (iii) extend the term of the Plan. The termination

or any modification or amendment of the Plan, except as provided in subsection (a), shall not without the consent of a Participant, affect his or her rights under an Award previously granted to him or her.

SECTION XXIV. EFFECTIVE DATE.

This Plan shall be effective September 4, 2008. No Awards of Options shall be made hereunder after the expiration of ten years from such date.
